

09.08.12

To whom it may concern

This is to certify that I am a native speaker of English, and that I have checked and corrected the language of “Molecular similarity relationships among Iranian bread wheat cultivars and breeding lines using ISSR markers.” This was done as a favor for one of the co-authors, Babak Abdollahi Mandoulakani, a former visiting researcher in my group.

Sincerely,

Prof. Alan H. Schulman
Group Leader, Institute of Biotechnology, University of Helsinki
Professor and Head, Genomics Research, MTT
